Subject — Re - maintenance charges of State Fund Roads within the Municipal limits of Chennapatna

In enclosing herewith an extract of the resolution passed by the Municipal Council, Chennapatna Town re the above, I have the honor to state that the Executive Engineer, Bangalore Division, and the Comptroller to Government are frequently reminding this office for payment of the over-due amount viz, Rs 1,200/- by the Municipality The Comptroller has even suggested that as per Mysore Civil Account Code, Vol I, Article 243(b), action will be taken for adjusting the amount

The President, Chennapatna Municipal Council, reports that the Municipality, owing to the strained state of its finances and the number of Town Improvement works which it has to finance, is short of funds at present and that the question of payment will b considered if toll-gates are sanctioned to be opened by the Municipality

Under the circumstances, I think that the Comptroller may be directed not to effect the adjustments suggested by him, as the Municipality is poor and not agreeable to meet the charges and request you to kindly obtain orders of Government in the matter of debiting the amount to the Public Works Department at an early da

I have the honor to be,
Sir,
Your most obedient servant,

for Deputy Commissioner,
in charge,
